

POSSO Self order kiosk system

SELF ORDER KIOSKS

GO KIOSK SELF ORDER

Self serve Kiosk for fast food restaurants by POSSO Ltd.

KIOSKS?

A proven approach to self- order kiosks in the fast food QSR environment,

DELOITTE SAY...

“The restaurant industry is transforming and competition is more intense than ever before. “Winning” restaurant brands will be those that best understand their customers, capitalize on digital technology options and analytics, and seize upon the opportunity to engage customers in a highly personalized way.”

HOT NEWS RIGHT NOW

kiosks and self- ordering are hot news right now in the UK, Just take a look at McDonalds & KFC. Since the launch of these two major players SELF order has taken off to a new level..

THE USA

They always make a song and dance so why not us here in the UK?

ROLL OUT INTO SME'S IN UK

GREAT NEWS

At last a really affordable self order system that actually competes with the big boys.

ASK YOUR CUSTOMERS?

Just ask your customers now... Would you love this system? Would it make thing better for you?

ASK YOURSELF?

Would it save on staffing costs? Could we serve more customers & make more money?

ASK THE FUTURE YOU?

So I could of made that decision 3 years ago - now were left lagging behind our local competition.

IS THIS YOUR BIGGEST MOST COST EFFECTIVE OPPORTUNITY?

UK customers are loving it! You don't have it? WHY?
